Final MRD Review Meeting

Date: July 31, 2006

Objective

To gain final approval from the Product Steering Committee (PSC) for the [Product X] Marketing Requirements Document (MRD) and agreement to proceed to develop the Product Requirements Document (PRD).

This presentation serves as the executive summary of the MRD.
For full details, please see the comprehensive MRD document.

Prior Management Review

In preparation for final PSC sign-off for this MRD, the product team has already met and gathered input and feedback from the following:

Syed Abbas, Corporate strategist

Dominick Paiha, CFO

Ezio Alboni, CIO

James Doohan, VP engineering

Lola Jacobsen, Director of product marketing

Don Richardson, Sales VP

Roan Kang, VP product support

Today's Agenda

- Objective | 9:00 – 9:05
- Executive Summary of the MRD | 9:05 – 10:05

Business Opportunity

Business Objective

- The [widget] market will grow to $350 M by 2015.
  The timely introduction of [Product X] positions [Contoso, Ltd.] as an innovative leader in this market with an opportunity to immediately claim 10 percent of this market within the first two years.

Recommended Product Strategy

- Introduce the 1.0 version in Fall 2010 in preparation for the Christmas holiday
  - *1.0 is a generic version applicable to all industries*
- Release an upgrade model in Spring 2011
- Market and sell versions tailored for key vertical industries to expedite adoption in Spring 2012
  - *Automotive*
  - *Financial Services*
  - *Hospitality*

Product Family Positioning Statement

TO	[Target Market Segment],
THE	[Product Family Name]
IS THE ONE	[Product Category]
THAT	[Key Benefit(s)]
UNLIKE	[Competitive Differentiator]

Competitive Landscape

COMPETITIVE PRODUCT	MARKET SHARE/ DOMINANT	STRENGTHS	WEAKNESS	OPPORTUNITIES	THREATS

Market Requirements Summary

CATEGORY	PRIORITY	IDENTIFIER	NAME	DIRECTIVE	RATIONALE	USERS

Target Market Segmentation Priorities

- Total Addressable Market
  - *The total worldwide market for [Product X] is $500M and is expected to grow 7 percent per year. [Contoso] will focus on companies with more than 5,000 employees and $350M in annual revenue in North American and European market segments.*
    We estimate the company's addressable market for this product is $200M spanning North America and Western Europe.
- Market Segment Priorities
  - *CIOs and CTOs in Automotive, Financial Services, and Hospitality industries.*

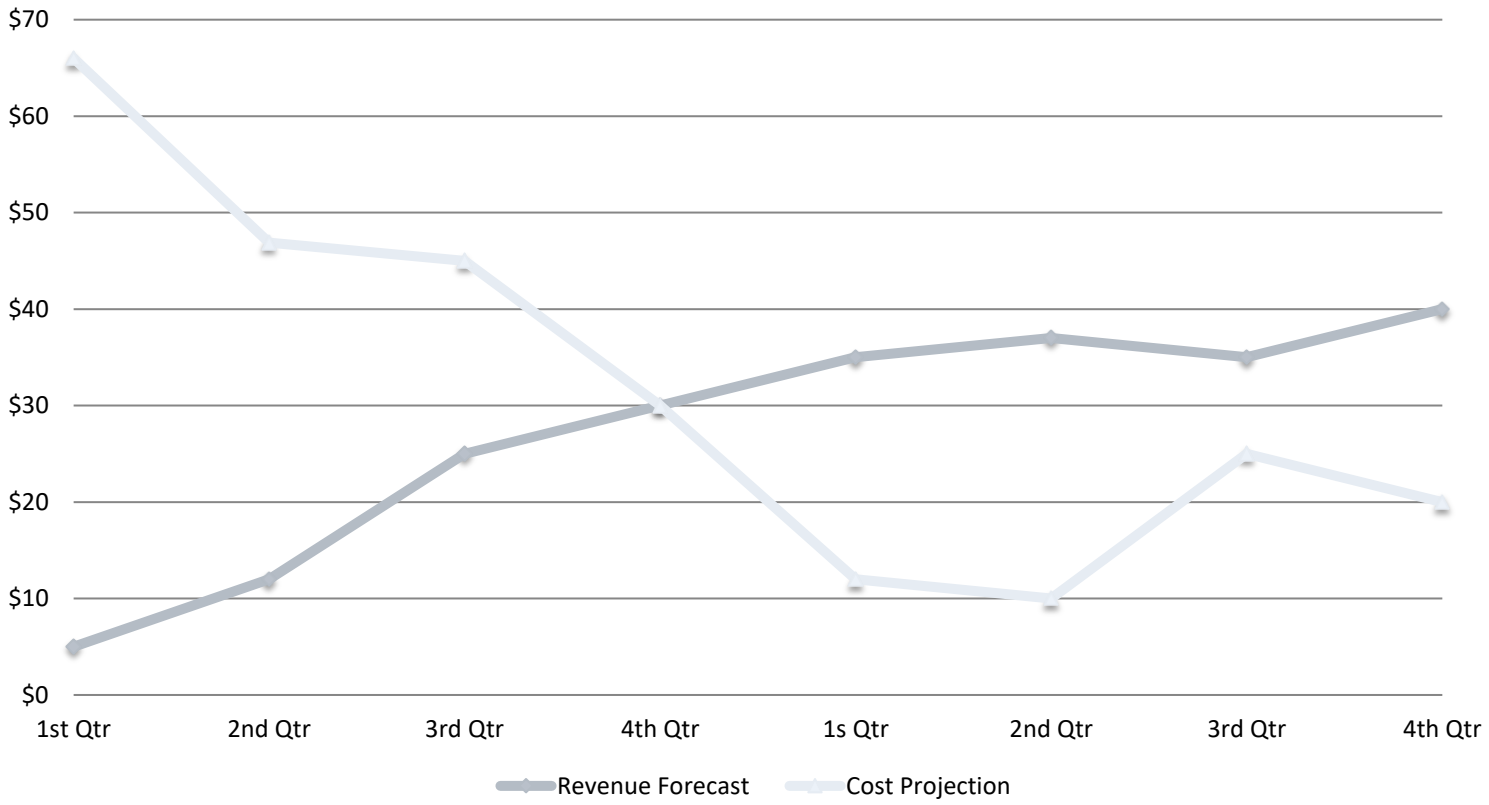

Business-Oriented Use Cases

- Business use case 1
  - *Description of a business pain point and the value a user would receive from using your product.*
- Business use case 2
  - *Description of another business pain point and the value of a user would receive from using your product.*

Financial Impact

Two-year post-launch projection

Most likely sales scenario, based on current assumptions

Financial Assumptions (general)

- Pricing assumptions
- Licensing assumptions
- Sales forecasting assumptions
- Manufacturing and production cost assumptions

Risks and Consequences

RISK NAME	DESCRIPTION	SEVERITY	MITIGATION OPTIONS
1. Competitors	Competitor X launches a product before we do	High	Prepare sales force and partner reps with competitive intelligence
2. Geography uncertainties	Political or economic uncertainties in European or Asian countries/markets	Moderate	Move production from India to Ireland

Final MRD Recommendations

- Proceed with scheduled investment plan for [Product X]
  - *Discussion Points*
    - Time frame for investigation
    - Impact to existing product lines
- Continue research in prioritized target market segments
  - *Automotive*
    - Financial Services
    - Hospitality
- Initiate PRD process to investigate specific product requirements
