

Air Force Medical Operations Agency

Excellent Healthcare, Clinical Currency

^^ Should see title above here^^

Master Title Slide

Bold italic title

- In today's work environment, it can be a challenge to keep up.

- | | |
|---|--|
| ■ | Do you feel like you can't get everything done? |
| ■ | Are you being pulled in multiple directions? |
| ■ | Do you feel stressed or frustrated? |
| ■ | Do you wish you had more time to hone your skills? |

- Once you learn how to use the right tools, social media can help you save time and get smarter.

- View the new briefing on *Personal and Professional Development* to learn how you can benefit from online communities, collaboration and support groups, easy access to information, recruiting and retention, human resource management, and thought-leadership.
