

Managing HR Projects

Using a Wiki in a Web 2.0 Company

Traditional Challenges in Communicating Complex HR Processes

- ▶ Extensive documentation
- ▶ Lack of a well planned communication strategy

Problems with Static Content

- ▶ hard to search
- ▶ difficult to add or edit content
- ▶ frequently dependent upon a sole person (the 'gatekeeper') to manage; and therefore,
- ▶ months or years out-of-date due to bottlenecks

Rolling Out Initiatives

- ▶ What is the most effective medium, email?
- ▶ Which stake holders should be notified?
- ▶ Does everyone require the same level of information?
- ▶ How to ensure everyone receives the message?
