

A

The image shows three vertical rectangular blocks arranged horizontally. Each block has a colored top section and a lighter, semi-transparent bottom section. Block A has a red top section, Block B has a green top section, and Block C has a purple top section. The bottom sections are light red, light green, and light purple respectively, matching the colors of their top sections. The letters A, B, and C are centered in the top sections of their respective blocks.
