Honeywell Offline Activation System

Instructions:

Insert your external USB drive, containing the Customer To Vendor (C2V) file. Upload the C2V file from your computer by clicking Browse. Locate the C2V file and click Activate. A successful activation initiates a download of a Vendor To Customer (V2C) file. Connect the USB drive to the computer on which you want to activate. Upload the V2C file to the external USB drive.

1.select a file

C2V File: C:\my_ocr_key c2v

Product Key: 1825946594657575262

2.input a product key

Thank You for purchasing our software. We appreciate your business. If you should have any questions or would like more information on our instruments and/or software, please visit our web site <http://honeywell.com/Pages/Home.aspx> or contact our Technical Support
