

The image shows a 26x26 grid of lowercase letters (a-z). Four colored squares are overlaid on the grid, each containing a number:

- One** (Red square): Covers the 10th to 12th columns and 10th to 12th rows.
- Two** (Orange square): Covers the 13th to 15th columns and 10th to 12th rows.
- Three** (Yellow square): Covers the 10th to 12th columns and 13th to 15th rows.
- Four** (Green square): Covers the 13th to 15th columns and 13th to 15th rows.

The grid is used to illustrate the concept of a 'word' in a sequence of characters.
