on one
and
spill
the

The diagram illustrates a text layout problem. A blue dashed rectangular frame encloses the text 'Pig' and the start of the text 'I all fit'. A red solid rectangular frame encloses the text 'I all fit page, not over to next.' and the start of the text 'That would be a huge waste of paper...'. A green arrow points upwards from the bottom of the blue frame to the top of the red frame, indicating a vertical shift or overlap. A red arrow points from the right side of the blue frame to the left side of the red frame, indicating a horizontal shift or overlap.

That would be a
huge waste of
paper...
