60 pt spacing before

a w:br at the start of the document. Does it use 60 point top margin?

Spacing before Page and Column Breaks

Page and Column Breaks

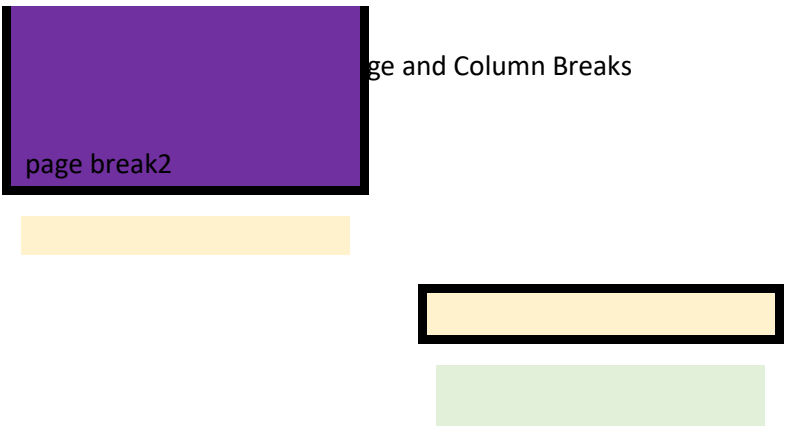

The diagram illustrates page and column breaks in a document layout. It features a large light blue rectangle on the left, a light green rectangle below it, a light green rectangle on the right containing the text 'column break2', and a purple rectangle below that. The text 'page break1' is located at the bottom left of the blue rectangle, and 'column break2' is at the top of the right green rectangle. The title 'Page and Column Breaks' is at the top right.

Page and Column Breaks

The diagram illustrates page and column breaks using several colored rectangular blocks. A large purple block in the top left contains the text 'page break2'. Below it is a yellow block. To the right of the purple block is a thin yellow block with a thick black border. Below this thin block is a green block. The text 'Page and Column Breaks' is positioned to the right of the purple block.
