Honeywell Offline Activation System

Instructions:

Insert your external USB drive, containing the Customer To Vendor (C2V) file from your computer by clicking Browse. Locate the C2V file and click Activate. A successful activation initiates a download of a Vendor To Customer (V2C) file to the computer on which you want to activate. Connect the USB drive to the computer on which you want to activate. Upload the V2C file to the entry field and click Activate.

1.select a file

C2V File: C:\my_ocr_key.c2v

Product Key: 1825946594657575282

2.input a product key

Thank You for purchasing our software. We appreciate your business. If you should have any questions or would like more information on our instruments and/or software, please visit our web site <http://honeywell.com/Pages/Home.aspx> or contact our Technical Support
